

## The Never Give Up Creed

I am a **Never-Give-Up** person.

I believe my life has **purpose** and **value**.

I will **pursue my purpose** daily.

I will set my **goals** and not allow the negativity of others to distract me in achieving them.

I am the **master of my attitude**.

Today I choose to be **positive**.

I will **love life** and **press on**, even in the midst of my struggles.

**I believe I can—therefore I will.**

I will tap into my **full potential** and with the help of others we will reach dreams that on our own are not possible.

I will be **strong to the finish**.

I will **never give up**.

At the end of the day when I lay my head down, I will rest in peace, because **I have faith, hope and love**.
